By the Numbers:

Top 5

Top 5 Industry Sectors who organized meetings were:

- Wind technology and Manufacturers – wind turbine and wind components
- Energy and Utility Companies
- Manufacturers
- Law Firms and Engineering/Industry Consultants
- Wind Technology research and development companies

Business-2-Business

WINDaba is as much about business as it is about information sharing, in 2013 **Business-2-Business Matchmaking** meetings grew by upwards of 30%. **622 meetings** were scheduled between **392 profiled individuals**. We believe this trend indicates a greater focus on the concretizing of business leads and relations.

Top requested companies were:

- Cape Africa Renewable Energy
- Arup/ESB International Joint venture
- Nordex
- Umoya Energy
- GL Garrad Hassan

55% of meetings were requested by Exhibitors whilst 45% were requested by conference delegates.

Awards and Gala Dinner

Minister of Energy , Dikobe Ben Martins is the Patron of WINDaba AND delivered the keynote address at the WINDaba/SAWEA Annual Awards.

The gala dinner was held at Pigalle Restaurant on Thursday 26 September and awards were presented in the following categories in the following categories:
